Dear Mr. Smith,

Both books certainly wouldn have benefited from proofreading and editing. I don't know what the future will bring, for I do not intend to stay a publisher. But, after you get settled near here, let me know where, just in case.

You'd not recognize the Frederick News now.

I expect my mother-in-law and others of my wife's family recall your father, if they do not recall you.

Sincerely,

Harold Weisberg
